LIBRARIAN'S REPORT 1963

Received: Town Treasurer	$100.00
Paid: Books	$81.00
Telephone and Postage	.73
	$81.73
Cash on hand	$18.27

At the end of the year 1963 the Library owned:

Books: 1021
Pamphlets: 15
Magazines: National Geographic
Tables: 2
One Roll Top Desk

On January 11, 1964 the town library was reactivated and brought to a position of usefulness. This was accomplished mainly through the assistance of the local P.T.A., which made this work its project for the year 1963-64. Much credit is due the untiring endeavors of Mr. and Mrs. Floyd Blackman. The P.T.A. has put $200 into this project together with many hours of labor that were donated by the members.

The trustees authorized the librarian to discard those books that were of no further use; they were placed on a table for residents of the town to take and they are nearly gone now.

With the assistance of Mrs. Rachel Sanborn of the Extension Library Service of the State Library, together with the trustees, and P.T.A. members, the books have been arranged for loaning according to modern library procedure. The rule is that a person can borrow three books at a time for two weeks; — one new book i.e., a book that is one year old, and these may be renewed for one week if someone has not requested them.

Because of a state law which makes it impossible for a library trustee to serve as librarian, I am putting the

responsibilities of the library into the hands of Mrs. Floyd Blackman, who will serve as librarian for the coming year by appointment of the trustees. I wish for her a full measure of satisfaction as she serves in this field of community service.

REPORT OF PLANNING BOARD

During the past year, four meetings of the Chichester Planning Board have been held. Invited to these meetings were members of the Board of Adjustment, the Selectmen, and special guests.

At these meetings we attempted to orient our thinking in preparation for the writing of the first of a series of reports pertaining to long-range planning for our town.

In order to arrive at some of the basic facts and methods to be used in the preparation of the first report, we met with several experts in the field of community planning. These included Randall P. Raymond, Assistant Planning Director, N. H. Department of Resources and Economic Development; Silas Weeks, Extension Economist, University of New Hampshire; William F. Henry, Head, Department of Resources and Economics, College of Agriculture, University of New Hampshire; Paul A. Fenton, Extension Agricultural Agent for Merrimack County, and Albert S. Baker, Executive Director of the Greater Concord Chamber of Commerce.

Individual sections of the first report are now being prepared by citizens of our town, even though some of them are not members of the Planning Board.

Our studies have indicated that Chichester, by comparison with surrounding towns, has made an excellent start in community planning. The zoning ordinance and building regulations adopted by our town two years ago have been well accepted and are working out very well. In recent months several new homes have been built in Chichester. Our building inspector reports that several individuals, in applying for building permits, have indicated that they desire to locate in our town because they know their property values will be

protected by the zoning ordinance and building regulations.

Looking toward next year, we believe that we should study the advisability of amending our zoning ordinance to include sub-division control and possibly the zoning of our town into areas for business, light industry, residential, and agricultural.

RUSSELL E. MacCLEERY
Chairman

REPORT OF CHICHESTER VOLUNTEER FIRE DEPARTMENT

The Chichester Volunteer Fire Department answered 11 calls during 1963, of which 5 were out of town fires.

This has been a good year in that we have had few fires and no property loss.

About 18 firemen have attended fire training school held during the year. This schooling has trained us in many phases of fire fighting so we may be of greater service to the town.

I urge all voters to give due consideration to the purchase of a new fire truck which the department has proposed in the Town Warrant. This truck will replace the old tank truck which is greatly outmoded.

I would like to point out that the new piece of apparatus will meet the requirements of the N. H. Board of Fire Underwriters and reduce the insurance rate $1.50 per thousand on buildings and $1.90 per thousand on contents within a 2 mile distance of the Fire Station.

REPORT OF FOREST FIRE WARDEN

As Forest Fire Warden I would like to express my thanks to the people for their cooperation during the past fire season. We had only 3 small brush fires during the year.

The past year has been one of the most extremely dry seasons known. Because of the awareness of the situation people were very careful thus preventing any disastrous fire which could have cost the town thousands of dollars as it has some of our neighboring towns.

I urge all people again this year to secure a burning permit before starting any open fires. This includes all incinerators and outdoor fireplaces.

Your cooperation is greatly appreciated.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Chichester:

The Chichester principal and teachers are sincerely interested in the educational welfare of children, and they are working effectively to provide the type of instruction necessary to prepare pupils for admission to secondary schools in the area.

The school is feeling the pressure of increased enrollments and the lack of adequate work and storage space. The lunch program has also expanded and has actually outgrown the space provided for it.

The school board, together with an advisory committee, has been working diligently on this problem and will make definite recommendations for the consideration of the district.

These people are to be commended for their interest in the problem. This interest and concern by the school board and the citizens of Chichester must certainly result in better educational opportunities for Chichester pupils.
